NSA THREAT OUTLOOK

September 1982

WARNING NOTICE: AN NSA NEAR EAST RECOMMENDATION

The sons of Fort Meade are brave men and schtick,  
And quite accustomed to the brave,  
But the best Arabist pick for the ranks of the NIC,  
Is Abdullah Bul-Bul McDave.

If you're in need of a man, a warning to fan,  
Or harass DIA, in its cave,  
Or storm the N-FIB, or tack with a jib,  
It's Abdulla Bu~~T~~-Bul'McDave

He can imitate Constantine, write, speak, and dream,  
And strum on his clavier, grave,  
In fact quite the cream of the NSA team  
Is Abdullah Bul-Bul McDave

Now our NSA maids their long vigil doth keep  
Their bye-bye's, Clark Kent, having waved,  
For the name that they murmur in vain as they weep,  
Is Abdullah Bul-Bul McDave(d)
